

Peabody Teacher's Appreciation Day

Presented by Peabody Magnet High School

If you are available to attend this event and represent the Foundation, your presence would be greatly appreciated. Additionally, we are seeking alumni members who are willing to assist with distributing flyers. Please respond if you are interested, and I will ensure flyers are provided to you. Alumni are encouraged to wear **PAEF paraphernalia**, if available.

In recognition of the hard work and dedication of our educators, Peabody Magnet High School will host a **Teacher's Appreciation Day on March 4, 2026, at 11:00 a.m.** This special event will include a luncheon, an awards ceremony, and small gift bags for each teacher. The purpose of this event is to express our sincere gratitude for the tireless efforts our educators contribute each day in fostering a nurturing and enriching environment for students.
